## WORK EXPERIENCE

**Lehigh University (Bethlehem, PA)**

**Fellowship at Lehigh Mountaintop Initiative, Summer 2017**

Assembled a team of graduate and undergraduate students from differing disciplines to work on my proposal to create a series of objects to aide those who live with mental illness. Researched and developed prototypes to display in a gallery in Manhattan, and at Pratt Institute.

**Pratt Institute (Brooklyn, NY)**

**Ceramics Studio Monitor, Fall 2017**

Job consisted of sign in checks, assisting students with technical questions, maintaining a clean and organized studio, and mixing clay & glazes.

**Pratt Institute (Brooklyn, NY)**

**Resident Advisor, 2016-2017**

Acclimated 40 freshmen to their residence halls. Duties were floor checks, interacting with residents, RAs and professional staff, crisis intervention and administrative work.

**Roy Hamilton Studio, and Nicholas Newcomb Pottery and Sculpture (Brooklyn, NY)**

**Ceramics Production Studio Intern, Fall 2015**

Studied ceramic production and surface design techniques. Completed series of dishware utilizing methods learned.

**Recreational Equipment, Inc (Princeton, NJ)**

**Retail Sales Associate, 2018-2019**

Worked primarily in customer service, clothing, and footwear departments. Provided expert assistance to customers about choices for outdoor equipment and apparel, and a positive customer service experience.
